

**ST. JOAN OF ARC  
SCRIP PROGRAM  
2009-2010**

**SCHNUCKS eScrip card**

You can pick up an eScrip card at any Schnucks store and register it in your family's name. St. Joan of Arc will receive contributions from every purchase you make at Schnucks.

---

Here's how it works:

\* The scrip card does not have a \$ face value. It is not used to pay for your items, it is only used to track your purchase amounts. SJA will receive a percentage of your purchases as a rebate.

\* The more you shop, the higher your contribution to SJA.

For every dollar you spend, Schnucks will contribute the following:

- 1% on monthly purchases between \$0 - \$300
- 2% on monthly purchases between \$301 - \$600
- 3% on monthly purchases between \$601 - \$999

\* When you checkout, present your scrip card to the cashier before paying for your purchase. (Pay for your groceries any way you choose.) Your scrip card will record the purchase amount and SJA will receive the benefit contribution.

\* Family, friends and neighbors can all help by picking up a scrip card at Schnucks. They can activate their card by calling 1-800-931-6258 and using SJA's account number: **6569785**. They will need to contact Mary Cooper, bookkeeper, at the Rectory (832-2838) and let her know that their eScrip card needs to be registered under your family name. Your family will then receive credit for the purchases they make with their eScrip card.

\* The Scrip Program will receive a statement from eScrip detailing your monthly purchases. This enables tracking of the benefit contribution you have earned for SJA, and will count towards your mandatory Scrip benefit contribution of \$150.

Any questions call Cindy Staub (644-0445) or Michelle Byers (481-1975)
