This is a great event that really gets kids involved in school, the community, and exercise. I hope we have many participants this year; it really is an enjoyable experience and awesome challenge for the students!

When registering online please make sure you register your child under the Saint Joan of Arc school option. This way I will be able to see the student's name on the list. Often there are two schools with the same/similar name, so be sure to double check the location.

If you have any problems registering, please email your questions to <mailto:erapp@stjoanofarcstl.com>. I look forward to working with the students throughout this program.
